Giving Back

Here at _____ we believe in giving back to our amazing community! We volunteer as much as we possibly can, whether it be working with the local food pantry to pass out meals to less fortunate families or helping make sure the homeless have all their proper documents to hopefully help them find a job. However, we have 2 local charities that hold a special place in our heart.

GUARDIAN AD LITEM
FOUNDATION OF OSCEOLA COUNTY, INC.
A POWERFUL VOICE FOR OSCEOLA'S CHILDREN

One of our number one charities is the Guardian Ad Litem Foundation of Osceola County. This foundation helps provide for the unmet needs of over 500 Osceola children removed from their home due to abuse, abandonment or neglect through no fault of their own. The Guardian Ad Litem model is a strong and responsive support system including program staff, attorneys, and over 200 locally trained Guardian ad Litem Volunteers, working as a team to provide advocacy for our children in the foster care system. For every new system we install, \$100 donation is made to the foundation in honor of the owner we installed the unit for. This money helps add normalcy to a very chaotic situation. The foundation helps put kids into after school activities, buy new clothes, help with school supplies, and everything to help the child feel "normal" during this difficult process.

WE ARE
Meals On Wheels
So no senior goes hungry.

The other charity close to our heart is Meals on Wheels. If you are on the east end of St. Cloud Monday mornings around 9:30 a.m. you will more than likely run into one of our employees or owners out delivering meals to our elderly in the community. MEALS ON WHEELS, is a service that provides homebound seniors and disabled adults in our community with two nutritious meals (one hot meal and one cold meal). This is something we find so much joy in. It is nice to get out and meet our elderly, along with making sure they are taken care of. We look forward to it every single time!

100% PERFORMANCE GUARANTEE

As you consider the right heating and air conditioning system for your customer's home, remember Trane's 100% Performance Guarantee, available only through our Trane Comfort Specialist™ dealers.

Trane products are designed, tested and built to last.

As an independent Trane Comfort Specialist™ dealer, you have demonstrated a proven record of customer satisfaction, have the knowledge to recommend the right system for your customer's home, and the experience and factory training to install and maintain the system for the life of the product.

As Trane wants to support you in your effort to satisfy every homeowner, we offer our independent Trane Comfort Specialist™ dealers a 100% Customer Satisfaction Guarantee. As a Trane Comfort Specialist™, you will have the authority to replace outdoor split/packages units and furnaces when faced with major system leaks, compressor or heat exchanger failures within the first 60 days after installation. In addition, if the new system you install doesn't perform to the factory specifications for the homeowner's application and ambient conditions during the first year, you have the authority to repurchase the equipment from the homeowner and Trane will refund to you the price you paid for it. It's just one more way you can give your customers the kind of peace of mind and service you're known for.

One more reason to choose Trane.

Trane already offers the best in home comfort with high quality systems and support from highly trained Comfort Specialist dealers.

The Trane 100% Customer Satisfaction is something you can promote to ensure your homeowners they have chosen the best equipment for their home and the best dealer to install it.

QUALITY CONTROL AUDIT

Task	Complete	Incomplete	N/A	Comment
Review Invoice with Home Owner				
Walk through job and review job scope

OUR GUARANTEES

At _____ & Air, LLC, we are proud to offer first-class HVAC contractor services in _____. We stand by every aspect of our work. We're so confident you'll be happy with our services that we offer several personal guarantees, including:

100% Money Back Guarantee

We guarantee that the equipment we have installed will perform as we have stated. If the system does not heat or cool your home as stated, we will remove it and return you 100% of your investment.

Comfort Guarantee

We guarantee that the system we have installed in your home will heat or cool your home as we have stated. If the temperature range we have promised is not achieved, we will replace your system at no charge.

No Lemons Guarantee

If your compressor or air conditioner fails twice within the first five years, we will install a complete and new outside unit. If the heat exchanger in your furnace fails within the first ten years, we will install a new furnace.

Utility Savings Guarantee

We guarantee a minimum 20% savings on your heating or cooling costs or we will issue a refund that is twice the difference of any savings not realized during the first year.

\$500 Frustration Free Experience Guarantee

If your system breaks down during the first year and leaves you without heating or cooling, we will be there within 24 hours, or we will pay you \$500 for your inconvenience.

\$500 Date of Install Guarantee

If we do not have your new system operating by the date promised, we will pay you \$500 for your inconvenience.

Property Protection Guarantee

All property is protected from damage. Damaged property will be replaced or repaired. Protective shoe covers and hall runners will be used on all work and traffic areas.

Our Exclusive Warranty

We will warranty the following items for a full 10 years against defects in materials or workmanship from the date the system is placed into operation.

- All ductwork we install
- All ductwork insulation we install
- All sheet metal straps, clamps, fasteners, hangers, locks, and drivers we install
- All drain piping, hangers and fittings we install
- All high voltage electrical wiring, conduit, fitting, straps, clamps, and terminal connectors we install
- All high voltage electrical disconnects, boxes, switches, and fuse blacks we install
- All low voltage electrical wiring, wire nuts, straps, ties, and connectors we install
- All refrigerant piping we install is guaranteed to be refrigerant leak free. Warranty does not include the cost to gain access to underground or other inaccessible piping
- All refrigerant piping insulation we install
- All equipment pads, stands, jacks, and vibration elimination devices we install

Proper maintenance is what allows us to offer this unique warranty. The only requirement to keep this protection in force for a full 10 years is to renew your annual maintenance program when due.

Media Filter \$550

\$16/36 \$12/48 \$10/60 \$8/72

High efficiency media filter captures particles, such as dust and pollen, as small as 0.3 microns.

Attic Tent \$325

\$9/36 \$7/48 \$6/60 \$5/72

Its primary design is to stop air infiltration between the home and attic, the most common medium for wasting costly residential energy, during both hot and cold seasons.

CleanEffects \$1,250

\$35/36 \$26/48 \$21/60 \$17/72

Supply your home with a cleaner, healthier environment, allowing you to breathe easier. (0.1 micron)

- 99.98% Airborne Particles
- Bacteria
- Allergens

XL824 (wifi) \$290

\$8/36 \$6/48 \$5/60 \$4/72

Wifi control monitors indoor and outdoor temperatures so you can adjust your system to be energy efficient but it also tells you when it's time to change a filter or schedule routine maintenance.

UV Light \$550

\$16/36 \$12/48 \$9/60 \$8/72

Designed to reduce airborne odors plus:

- Toxic chemical vapors
- Germs & Mold

Dehumidifier \$2,795

\$77/36 \$58/48 \$47/60 \$39/72

Less moisture in the home reduces the strain on you air conditioner and allows you to set your thermostat higher to run your air conditioner less.

Labor Warranty \$999

\$28/36 \$21/48 \$17/60 \$14/72

Ten (10) year
Labor Warranty
Requires annual
"Energy Savings Agreement"

WeatherGuard Top \$725

\$20/36 \$15/48 \$12/60 \$10/72

Provides an additional layer of safety to protect family members from moving parts, while also protecting inside components from damage, leaves and debris.

i-Wave Air Cleaner \$595

\$17/36 \$13/48 \$10/60 \$8/72

The iWave is designed specifically for treating air in residential duct A/C systems...

As the air flows past the iWave-V, positive and negative ions actively purify the supply air, killing mold, bacteria, & viruses.

It's Hard To Stop A Trane.

Media Filter \$550

\$16/36 \$12/48 \$10/60 \$8/72

High efficiency media filter captures particles, such as dust and pollen, as small as 0.3 microns.

Attic Tent \$325

\$9/36 \$7/48 \$6/60 \$5/72

Its primary design is to stop air infiltration between the home and attic, the most common medium for wasting costly residential energy, during both hot and cold seasons.

CleanEffects \$1,250

\$35/36 \$26/48 \$21/60 \$17/72

Supply your home with a cleaner, healthier environment, allowing you to breathe easier. (0.1 micron)

- 99.98% Airborne Particles
- Bacteria
- Allergens

XL824 (wifi) \$290

\$8/36 \$6/48 \$5/60 \$4/72

Wifi control monitors indoor and outdoor temperatures so you can adjust your system to be energy efficient but it also tells you when it's time to change a filter or schedule routine maintenance.

UV Light \$550

\$16/36 \$12/48 \$9/60 \$8/72

Designed to reduce airborne odors plus:

- Toxic chemical vapors
- Germs & Mold

Dehumidifier \$2,795

\$77/36 \$58/48 \$47/60 \$39/72

Less moisture in the home reduces the strain on you air conditioner and allows you to set your thermostat higher to run your air conditioner less.

Labor Warranty \$999

\$28/36 \$21/48 \$17/60 \$14/72

Ten (10) year
Labor Warranty
Requires annual
"Energy Savings Agreement"

WeatherGuard Top \$725

\$20/36 \$15/48 \$12/60 \$10/72

Provides an additional layer of safety to protect family members from moving parts, while also protecting inside components from damage, leaves and debris.

i-Wave Air Cleaner \$595

\$17/36 \$13/48 \$10/60 \$8/72

The iWave is designed specifically for treating air in residential duct A/C systems...

As the air flows past the iWave-V, positive and negative ions actively purify the supply air, killing mold, bacteria, & viruses.

It's Hard To Stop A Trane.®

TRANE

It's Hard To Stop A Trane.

SYSTEM ACCESSORIES

Media Filter

\$16/36 \$12/48 \$10/60 \$8/72

High efficiency media filter captures particles, such as dust and pollen, as small as 0.3 microns.

Pollen

XL824 (wifi)

\$8/36 \$6/48 \$5/60 \$4/72

Wifi control monitors indoor and outdoor temperatures so you can adjust your system to be energy efficient but it also tells you when it's time to change a filter or schedule routine maintenance.

UV Light

\$16/36 \$12/48 \$9/60 \$8/72

Designed to reduce airborne odors plus:

- Toxic chemical vapors
- Germs & Mold

Attic Tent

\$9/36 \$7/48 \$6/60 \$5/72

Its primary design is to stop air infiltration between the home and attic, the most common medium for wasting costly residential energy, during both hot and cold seasons.

Dehumidifier

\$77/36 \$58/48 \$47/60 \$39/72

Less moisture in the home reduces the strain on you air conditioner and allows you to set your thermostat higher to run your air conditioner less.

Labor Warranty

\$28/36 \$21/48 \$17/60 \$14/72

Ten (10) year
Labor Warranty

Requires annual
"Energy Savings Agreement"

CleanEffects

\$35/36 \$26/48 \$21/60 \$17/72

Supply your home with a cleaner, healthier environment, allowing you to breathe easier. (0.1 micron)

- 99.98% Airborne Particles
- Bacteria
- Allergens

WeatherGuard Top

\$20/36 \$15/48 \$12/60 \$10/72

Provides an additional layer of safety to protect family members from moving parts, while also protecting inside components from damage, leaves and debris.

i-Wave Air Cleaner

\$17/36 \$13/48 \$10/60 \$8/72

The iWave is designed specifically for treating air in residential duct A/C systems...

As the air flows past the iWave-V, positive and negative ions actively purify the supply air, killing mold, bacteria, & viruses.

It's Hard To Stop A Trane.

The iWave is designed specifically for treating air in residential duct A/C systems...

As the air flows past the iWave-V, positive and negative ions actively purify the supply air, killing mold, bacteria, & viruses.

It's Hard To Stop A Trane.
